PLANNING CONTEXT

THE SITE IS LOCATED WITHIN THE PLANNING JURISDICTION OF CHELMSFORD CITY COUNCIL

- Chelmsford City Council are currently reviewing their Local Plan. Consultations closed on 8 January 2026 and the next stage is submission for Examination after a series of presentation meetings culminating in a Full Council meeting on 2 June 2026.
- The site is within the Metropolitan Green Belt. The revised NPPF requires Green Belt allocations to be reviewed where housing need cannot be met.
- Draft Strategic Policy S6 makes provision for an increased number of overall new homes of 22,990 (1,210 dwellings per annum).
- It is considered that although the Council are moving forward with preparation of the new Local Plan, the buffer has been reduced to such a significant extent (to 1.5%), that additional sites may need to be found.
- The Council has not undertaken a review of the Green Belt boundaries to identify any sites suitable for development.

Prospective purchasers are advised they should make their own planning enquiries with Chelmsford City Council.
