Location

The oldest recorded town in Britain, Colchester blends pride in its impressive heritage with its role as a successful, 21st century urban centre.

More than £500m is currently being spent on improvements and redevelopment in Colchester's town centre, part of a borough-wide £3bn investment package.

The town boasts an exciting range of modern attractions, from Firstsite - the east of England's leading contemporary visual arts centre - to fine restaurants, thriving cafés and bars plus a host of independent retailers trading side-by-side with all the leading high street brands.

Description

Located right in the heart of Colchester's prime pitch, Red Lion Yard links the high street with the busy Lion Walk Shopping centre. The historic yard is home to the 500-year-old red lion hotel and a number of successful retailers.

Major redevelopment of the area in recent years has revitalised this area and created a niche destination perfect for independent and luxury retailers and café operators in the heart of Colchester Town Centre.

The unit itself benefits from a glazed frontage, ground floor retail space, W/C facilities to the rear, and cellular and basement accommodation.
